Dear Anna,

The children have been enjoying the wonderful summer weather and have been busy with swimming lessons, yoga, and lots of outdoor and indoor fun. As we begin Session 2 of Summer Camp, we look forward to more exciting activities and fun planned for the children!

Swim Time

Swimming Lessons continue to be a wonderful learning experience at the Hawthorn Woods Aquatic Center.

The children are divided into small groups according to their skill levels and work with instructors on age appropriate swimming skills. They are mastering basic swim skills, leg and arm movements, bobbing and bubble blowing through mouth and nose. Safety in and around water is a key component of the weekly swim lessons.

Don't forget to take a look at more photos from Summer Camp, 2018, including some from the pool, at our [Montessori Children's House Facebook Page](#)
