Mon., July 9

Tuition due for Session 3

Wed., July 11

Dear Anna,

We look forward to another great summer at Montessori Children's House with lots of activities and fun planned for the children!

Wednesday, June 6th is our annual Summer Camp Parent Orientation Meeting beginning at 5:00 p.m. Come join us in meeting families whose children will be attending camp, meet the Summer Camp staff and get your Summer Camp questions answered. This is a Parents-Only meeting.

Camp bags and the Camp Handbook will be distributed at the meeting. If you are unable to join us, please stop by the School Office any time after the meeting to get your Summer Camp bag(s) and information.

REMINDER: All Camp forms, including Health forms need to be received in the office prior to your child(ren) starting camp. A new health form is required each year. Additional forms are available from the School Office if needed.

Society](#)

for the
Preprimary Extended Day and All
Day Programs.

The Smart Lunches Program will begin
on June 11th. The lunch program for
the Toddler Program requires no
registration. Lunch is provided for the
All Day Toddler students.

For children enrolled in the Preprimary Program (ages 3
- 7) registration is required and the deadline is June
7th.

Smart Lunches has worked with nutritionists and chefs
to create fun, nutritious meals kids will enjoy.
Ingredients are all natural and sourced from local farms
as often as possible.

Lunches include a main, vegetable and fruit side. Daily
vegetarian and vegan options are available. Please see
www.smartlunches.com for more information.

To enroll your child in the lunch program, please
register directly with Smart Lunches
at <https://www.smartlunches.com/order/signup>

You will need to create an account at
www.smartlunches.com. Once you create an account
you can add profiles for your child. You will create one
profile then click lunchers settings and then add
luncher. There are two ordering options. One option is
a la carte (as needed basis). The other option is a
subscription meal plan which runs monthly. You will
want to choose the ordering option that you think will
work best for you.

Registration must be received no later than two
business days before the start of any week.

To assure the classroom is prepared to provide the best
mealtime experience for your child, no late orders will
be accepted. If you do not choose to order from Smart
Lunches you are welcome to send a lunch from home in
an insulated bag following the guidelines included in
the Summer Camp Parent Handbook.

Payment is made directly to Smart Lunches through
the website.

Mosquito & Tick Prevention

As the warmer weather has begun, the children are
enjoying their outdoor environment thoroughly. We
deeply believe in the value of connecting children with
meaningful experiences in nature. Families should be
aware that the school has contracted with a pest-
control organization that sprays for insects on our

campus, including mosquitoes and ticks, which is done when the children are not on campus.

Please be sure to apply bug spray/lotion on in addition to sunscreen on your child before they arrive at school each day. We recommend Skin-So-Soft from Avon (also available on [Amazon](#)) as this product contains both sunscreen and bug repellent. Please do not forget to submit the Sunscreen & Bug Spray Permission form for the student files as we will reapply throughout the day.

Recognizing that the potential for ticks is ever present, we will continue to scan children regularly and encourage you to do the same upon their return home each day. For further information about prevention, follow the link to the Center for Disease Control website:

[Preventing Tick Bites](#)

If you have any questions or concerns, please do not hesitate to contact the School Office at (847) 550-0917 or office@mchnb.net

Stade's Farm & Market Field Trip: Preprimary Program

The children of the Preprimary Program will be visiting Stade's Farm & Market, located in McHenry, IL on Wednesday, June 20th. The children will participate in picking their own strawberries as well as learning about how the food they eat is grown and harvested.

Arrival times will proceed according to your child's regular schedule. Dismissal for the children of the AM Class will be approximately 12:00 p.m. All other classes will proceed according to your child's regular schedule.

All Preprimary teachers and several chaperones will accompany the children on their field trip.

A flyer with more details will be handed out during the Parent Orientation.

If you have any questions or concerns, please do not hesitate to contact the School Office at (847) 550-0917 or at office@mchnb.net.

Barrington Area Librarian Visit

We are excited to host a Librarian visit from the Barrington Area Library throughout the course of Summer Camp.

A variety of activities including story time, songs, rhymes, and action activities are planned that coincide with each Summer Camp Theme!

Thank you for sharing your children with us this summer!

Sincerely,

The Montessori Children's House Summer Camp Staff
