Montessori Children's House E-Update

Thank you to all the grandparents who shared the morning with their grandchildren!

Dear Anna,

It is hard to believe that it is almost the end of the school year. What a wonderful year it has been. It has been a year of progress and growth for all the children. Students of the Toddler class who started school with tears have now blossomed into bright, talkative young friends. Students of the Preprimary Program have developed into map makers, counters, readers, analyzers and problem solvers and most importantly leaders with confidence and strength!

We are finally witnessing signs of spring all around and the weather is becoming warmer. Please dress your child appropriately for the weather sending a light weight jacket as needed. We do want your child to be able to enjoy the time spent outside comfortably.

We would like to remind parents that even though we are closer to the end of the school year, **Arrival and Dismissal procedures remain the same.** Please follow the car line driving on Clover Hill Lane from Miller Road and turning left into the school campus. Stay in the car line and wait for the car in front of you to pull forward instead of pulling around in front of another car. When you come to a complete stop please place your car in "park". **REMEMBER: All cell phone usage is prohibited in vehicles on or near the school campus including bluetooth/handsfree phones.** Please be alert and attentive during arrivals and dismissals. MCHNB strives to maintain safety and courtesy during these times for all our children, families and staff.

If you have any questions, please email us at office@mchnb.net. April was a busy and exciting month. Please be sure to see more photos from our school events and everyday life at MCHNB on [our Facebook page](#).
